

## LAKE TAHOE, THE 3 MOUNTAIN TRIP

March 16<sup>th</sup> to March 23<sup>rd</sup>, 2019

1. With a view of the sapphire-blue waters of Lake Tahoe, Heavenly is one of the most beautiful ski areas in the world with open groomers, 1600ft plunges and outrageous tree skiing in the canyons of CA and NV, along with its après ski scene, brewpubs and casinos makes this trip unique.
2. Northstar has pristine groomers and incredible tree skiing for the adventurous, with its 3170ft of skiable acres and 2280ft of vertical it has enough challenges for all.
3. Kirkwood is for skiers and riders with an adventurous spirit who want a pure, diverse and rewarding mountain experience. It is one of my favorite mountains to ski and one of the main reasons we are going to Tahoe.
